

ST. AMBROSE ACADEMY

January 13, 2022

Dear 8th grade parent,

My name is Angela Hinline, and I am the Director of Enrollment and Learning Services Specialist at St. Ambrose Academy. In my role at St. Ambrose Academy, I am privileged to share information about our incredible Catholic school with parents exploring high school options for their children.

St. Ambrose Academy is hosting a ***Winter Open House*** on **Sunday, January 30 from 3:00-5:00pm**. During our Winter Open House, you'll be invited to experience our Catholic Classical Curriculum through a series of faculty-led presentations, explore student services, extracurriculars, and athletics and learn about the admission process.

We would be delighted to have you as our guest on Sunday, January 30, and I have enclosed a flyer with additional details about the event.

To RSVP or learn more, please email me at angela.hinline@ambroseacademy.org.

If this event doesn't fit into your schedule or if you'd like a more personal tour of St. Ambrose, I would love to coordinate a shadow day for your student or a parent visit tailored to your questions and interests. Please don't hesitate to reach out!

Kind Regards,
Angela Hinline
