

Circle of Grace Opt-Out Form

Parish or School: _____

Family Last Name: _____

The Diocese of Madison takes very seriously its commitment to protecting children by every means available. This includes helping young people to better understand their intrinsic dignity and worth as children of God and to navigate some of the dangers our culture throws at them. To that end, age-appropriate resources are presented annually to all young people in diocesan catechetical programs.

Understanding that "Circle of Grace" is not a sex-education program, I nonetheless do not wish my children to participate, but wish to personally teach them this information. Please send the appropriate lesson plan(s) to me.
